! California Prop. 65

Warning: Cancer and Reproductive Harm www.P65Warnings.ca.gov.

Fluid path components are non-pyrogenic.

Warning: The results of certain animal experiments have shown phthalates to be potentially toxic to reproduction. Proceeding from the present state of scientific knowledge, risks for male premature infants cannot be excluded in the case of long-term exposure or application. Medical products containing phthalates should be used only temporarily with pregnant women, nursing mothers, babies and infants.
